CONTINUING EDUCATION GUIDE

CEU

Classes and stage presentations eligible for Continuing Education Hours (CEUs) will be designated with a CE banner. Look for this banner to easily identify which classes to attend.

No credit will be given for digital library courses.
Only courses marked with CEU on 10/19 qualify.

Classes eligible for cosmetology CEUs in CO, IA, IL, NC, NE

Please carefully read the following information as it pertains to your state and license type.
Failure to follow the below guidelines can result in loss of hours.

CEU

How To Earn Up To 7 CE Hours

Each individual CE eligible class is ONE CE HR. :

- Attend The MasterClass (1 Class), Each Premiere Main stage Class (3 Classes), one CE hour earned for each CE class completed
- Attend one CE eligible class in each of our three classroom blocks (3 total classes, choose one class per classroom block, each class equals one CE Hour)

GENERAL INFORMATION AND GUIDELINES

To obtain CEU Hours, attendees must:

1. Select your CE State during registration
   - Must provide full license # INCLUDING any prefix/suffix
   - Registration in advance required for ALL ELIGIBLE STATES.
   - **IL, NC, CO - Please see your state below for additional steps and details.**

2. Each class is 60 minutes. Attend the full 60 minutes of each class you would like to receive credit for.
   - Late arrivals and connectivity issues are not exempt.
   - Must stay logged in and active during the class
   - Log in to only one class at a time with your unique log in.
   - If logged in to multiple classes/multiple devices, all classes during that time will be void.

3. For each class completed a certificate will be sent Friday, 10/23/26

Licensee will only receive hours for programs that contribute directly to the competency of their license as specified by your state's regulatory board. Supported license types and applicable classes:

– Cosmetology, general or advanced

– Students, Apprentices, and Barbers are welcome to attend any class/stage presentation but do no need to sign up for credit and will not receive a certificate as CEU accreditations do not apply to these license types.

ADDITIONAL STATE DETAILS

NORTH CAROLINA

CEU providers no longer report CEU hours or attendance to the State Board. It is the responsibility of the licensee to maintain records of attendance including:

1. Course title and description,
2. Date conducted,
3. Address of location where the course was conducted,
4. Hours earned.

- CEU Certificates inclusive of the required information will be provided at the conclusion of each class as long as the attendee has followed the above general guidelines.
- Audits of the licensee's continuing education may be conducted at any time. Upon the board's request, each licensee shall provide completed records to the board.

COLORADO

Colorado does not require continuing education for license renewal.

- Education may be requested by the Board for license reinstatement if a license has lapsed.
- Classes may be used as supporting documentation for reinstatement, subject to Board review and approval.
- Course completion does not guarantee reinstatement.
